"... when someone sucks my toes, I go crazy!"

SANDRA WESTGATE We knew our cover girl had made the A-list when she became part of the entourage that accompanied Her to New York for his Friars Club roast. When she's not hanging out at the Mansion, Sandra devotes herself to her Website (www.sandrewestgate.com). For more about this talented, beautiful lady, check out *Playboy's Sexy Celebrities*, available on newsstands now. **Andrew Goldman**, 4, 5, 6-7.

MERRITT CABAL "I like shoes too much to be barefoot all the time, but I love to have my feet rubbed—and when someone sucks my toes, I go crazy!" She has enough sex appeal to attract just about any man, so what does a guy need to do to get a shot at a date with her? "He should be funny, cute and a complete gentleman. Forget bad attitudes—and ditch the Speedos!" **Vital stats:** 5'8", 127 lbs., 34D-24-34. **David Rams**, 8, 9.

PUALEI MILLARE Her creative passions include painting, sculpting, modeling and acting, but her most satisfying accomplishment came when she was cast as a full-time extra on *Baywatch Hawaii*. **Gen Nishino**, 10, 11, 12-13.

MYSTI SHERWOOD She not only enjoys frequent pedicures, but she also sees a flexologist every two weeks who spends an hour working on the pressure points of her hands, ears and feet. "If I have a willing partner, I try to teach him how to hit the right spots on my feet. There's a pleasure-pain effect that's very erotic if done right." **Alc Moore**, 14, 15.

NATASHA BARRON As "driven, confident and focused" as she says she is, she still didn't sign on for a photo shoot with us until her younger sister gave her blessing. Seizing the opportunity, Natasha says the experience was "awesome—even though the owner of the house we were using was holding a business meeting in the next room. I guess I was the entertainment!" **Vital stats:** 5'10", 134 lbs., 36-26-36. **Mizuno**, 16-17.

JENNIFER ARENA Actor Jeff Goldblum personifies her ideal man—"confident, fun-loving and sexy." But no matter how appealing a guy is, if he talks too much about himself or is too aggressive too early, Jennifer is outta there. **Gen Nishino**, 18-19.

CYNTHIA ARROYO Favorite perfume? Rush by Gucci. Best recipe? Chicken piccata with angel hair pasta. Preferred relaxation? Getting a pedicure. "Pamper my feet and I'm a happy camper!" Favorite holiday? "All of them. We're Puerto Rican, so every family event is crazy! But the food is delicious." **Gen Nishino**, 20, 21, 22, 23.

ALENA CANDOVA Her modeling career is off to a better than expected start ("I never thought I'd get the opportunity to model for Playboy so soon"), but she's still struggling with confidence. "I tend to be too self-critical, too negative. But being in Playboy is making a believer out of even me!" **Vital stats:** 5'2", 108 lbs., 35-23-33. **Byron Newman**, 24-25.

RACHEL BAKER What about a man first attracts her? His eyes, but she says "The whole package should be toned, tall, tanned and hilarious!" **Byron Newman**, 26-27, 28-29.

JACKIE MARIE You wouldn't know it from looking at her, but Jackie wages an ongoing battle to get to the gym. "Last New Year's I resolved to work out every day, and I did—for about two months!" **Vital stats:** 5'6", 125 lbs., 36C-24-35. **Gen Nishino**, 30, 31, 32-33.

CARLA BROWN Her ideal man should be intelligent, funny and "as tall as possible." She's occasionally resorted to ploys to get a guy to notice her. "I once fell down a flight of stairs on purpose, figuring he'd rush to my side and be smitten. But all I got out of it was a bunch of bruises." **Vital stats:** 5'11", 99 lbs., 34B-23-34. **Byron Newman**, 34, 35.

LAUREN OXLEY Members of our Cyber Club may recognize her as *Sexy Girl Next Door* #43—one of the most popular SGNDs ever. A student and *Hooters* girl, Lauren enjoys playing volleyball and basketball, and can't wait for the day when she makes her first skydive. **Vital stats:** 5'5", 120 lbs., 34D-27-35. **Andrew Goldman**, 36-37, 38, 39.

MADISON MARIE Good hair and a great haircut will spark her interest, but laziness or a wrinkled shirt will get you the boot. "Basic chivalry counts, too. Opening doors and pulling out chairs is courteous, and still very much appreciated." **Jarmo Pohjaniemi**, 40, 41.

"The whole package should be toned, tall, tanned and hilarious!"

"Pamper my feet and I'm a happy camper!"

"Take your time at first—the tease is half the fun."

AMY MILLER The three words that best describe her? "Glamorous, wild and sexy. Well, I'm a little naive, too—but I'm learning fast!" Her take on toes? "I think it's hot when a woman wears high-heeled sandals with beautifully manicured toenails. And I definitely love to suck my partners' toes—both men and women." *Gen Nishino, 42-43, 44-45.*

MARTA KUZMICKA As a kid in Poland, Marta says she was always getting into trouble, but these days she's "grounded, fun and sexy." *Gen Nishino, 46-47, 48, 49.*

JEAN SCOTT "When I was growing up I thought my feet were too big and too long—my sister called my toes my second fingers! But later on I sort of grew into them and learned to enjoy pedicures and massages. They're a little ticklish, so I prefer light touching in slow, steady strokes, or even feeling lips brushing my toes. It's truly one of my not-so-guilty pleasures." *Vital stats: 5'6", 112 lbs., 34D-24-34. Gen Nishino, 50-51, 52-53.*

SYDNEY MOON Never bashful, Sydney is the first to admit that she'll "always take a naughty dare." She prefers men who have "as strong a sex drive as I have"—and who have a slow hand. "Take your time at first—the tease is half the fun—but once we get started, I want to let loose!" *Vital stats: 5'3", 110 lbs., 40-24-34. Mizuno, 54, 55, 56-57.*

BRANDY RITCHIEY "You've gotta love those Cubs," this Illinois native and devoted fan asserts. While she patiently waits for a repeat of their last World Series appearance (in 1945), Brandy enjoys other Chicago attractions, especially the Art Institute and "the Italian beef at Demon Dogs!" *Vital stats: 5'8", 117 lbs., 33-23-32. Jeff Stella, 58, 59.*

LUCIE FAUBERT This Czechoslovakian-born model now lives in Los Angeles, which also happens to be the home base of ...

HEATHER GENTRY ... who paired with Lucie for the sizzling set of shots seen in *Girlfriends '01*. We thought you might like to see more. *Guido Argentini, 60-61, 62-63.*

BUFFY TYLER Embarrassing Playmate moment of the month: "A bunch of us were in Las Vegas dancing and, as usual, I was getting crazy to get the party moving. I guess I was a little too crazy, because all of a sudden a Velcro fastener came undone and my skirt fell to the floor. I got a little more attention than I'd intended!" *George Georgiou, 64-65.*

LEILANI DUENAS Athletics are a big part of her life. She's gotten awards in basketball, cross-country, track and field and soccer. But her next goal is to tackle extreme sports like surfing and skydiving. "I think they've got to be a blast—especially if you survive them!" *Vital stats: 5'5", 108 lbs., 36-24-34. Gen Nishino, 66-67, 68, 69.*

HUNTER ROYCE Usually easygoing and mild-mannered, Hunter harbors a secret need for speed—"I want a Porsche 911"—and would love to "jump ship in the south of France." *Vital stats: 5'6", 109 lbs., 34-23-34. Gen Nishino, 70-71, 72-73, 74-75.*

BROOKE BERRY It's a darn shame, but beautiful women can sometimes intimidate men. "The best thing a guy can do is compliment me on my personality and show me that he's not caught up in my looks." Second best? "Give me a good foot massage. There's nothing like two strong hands wrapped around my feet." *Mizuno, 76, 77.*

HEATHER FAITH A guy with "strong hands, beautiful eyes, a nice smile, a sense of humor and dimples" was on her New Year's wish list. *Gen Nishino, 78, 79, 80, 81.*

HEATHER CHRISTENSEN Our current Model of the Year has a dirty little secret: "I'm totally disorganized and messy. I can never find anything." But even she can find her new Website—www.heatherchristensen.com. *Jeff Stella, 82, 83, 84, 85.*

JURGITA TVARIJONAITA This Lithuanian-born, London-based model says she's frustrated that "so many of the men who fancy me turn out to be gay," and puzzled that "guys get so scared when you call them." *Byron Newman, 86, 87.*

JILL KALLBERG She's on the lookout for a guy with whom to connect and have kids. For now, though, she's content doing what she enjoys most—dancing, cooking, baking, making clothes and playing Scrabble. *Gen Nishino, 88-89, 90-91.*
